

A positive path for spiritual living

August 19, 2020

Dear Unity Family:

I am eagerly looking forward to the time when we can come together in person and embrace each other. As we continue to take care of ourselves during this global pandemic, we are holding everyone in prayer for health, wholeness, and peace. We have a great support team ready to assist anyone in need. Please contact the office if you would like assistance.

Until the great time when we can meet in person, I hope you have been able to view our weekly Sunday Livestream at 11:00am. The talks and the meditations are posted on YouTube, so you can view the services at your convenience. We have a rich conversation following each Sunday service using Zoom with our Talk About the Talk. Consider joining us on a Sunday after service. We also have a wonderful offering via Livestream every Wednesday for our Healing and Meditation Service at 6:30pm.

We continue to offer many book studies, Spiritual Education and Enrichment Classes and our on-going small group ministry, SpiritGroups. Soon we'll be launching several different groups including meditation, life focus, and A Path Home for our fall session of SpiritGroups beginning September 20. Consider joining a group or class to experience real connection and for an opportunity to develop deeply rewarding friendships.

Yours in the service of Love,
